

# Accessing Public Works Listserv Archives

1. To access the listserv resources, you need a username and password.
  - a. Your username is the email address connected to your subscription (typically your work email).
  - b. To create a password, go to <https://listserv.uconn.edu/scripts/wa.exe?A0=CTPUBLICWORKS-L> and choose "Get Password" from the Options box on the right. Follow the directions to register your password.

2. Once you have your username and password, you will be able to log in and access the homepage. The homepage contains the most recent posts, a list of archives for the last several months and a search function.

If you need further assistance, please contact Mary McCarthy, Listserv Administrator, at [mary.c.mccarthy@uconn.edu](mailto:mary.c.mccarthy@uconn.edu).
