Training and Events

American Traffic Safety Services Association (ATSSA) Flagger Certification Training

### A CT Road Master Program *ELECTIVE Workshop*

In this workshop, participants will learn proper flagging techniques and the responsibilities of a flagger in a work zone. This course satisfies the ATSSA Flagger Certification curriculum. Satisfactory completion of this course certifies participants for four (4) years and places them on ATSSA's national registry. A certification card will be mailed to you upon your successful completion of this course.

Who Should Attend

This program is designed for any personnel who are involved in flagging in a work zone and would like to earn their ATSSA Flagger Certification.

Course Instructor

Scott Zinke is a Research Engineer at the Connecticut Transportation Institute. He conducts research for the Connecticut Advanced Pavement Laboratory and provides technical assistance and training for the Training and Technical Assistance Center.

Scott is an American Traffic Safety Services Association (ATSSA) Certified Flagger, Traffic Control Technician, Traffic Control Supervisor and Flagger Instructor. Scott is also certified to teach the Federal Highway Administration endorsed "Road Safety Fundamentals" course.
