Basics of a Good Road

A CT Road Master Program *REQUIRED* Workshop

Roads in Connecticut are handling more and more traffic and road budgets are shrinking. To make the most of what we have, we need to understand what is necessary to keep roads in good shape and how to fix those roads that have seen better days. This workshop focuses on what Connecticut's road crews can do to maintain their road systems, identify distresses and keep their roads in the best shape possible.

Please note: These are socially distant sessions. All state and university COVID-19 precautions will be followed.

Who Should Attend

This program is designed for those who have responsibility for the construction and maintenance of local roads.

Highway Superintendents, Road Foremen, Crew Leaders, Directors of Public Works and Town Engineers are encouraged to attend.

Course Instructor

Paul Brown is the President of RoadTech, Inc., a consulting company specializing in road management and pavement maintenance issues. Paul has been teaching road building and maintenance classes for LTAP centers around the country for several years and has been in the construction industry since 1979.

"Mr. Brown is a very knowledgeable instructor. For me, who mostly does roadside mowing, this course is excellent. Thank you."

- Road Master Program participant

Dates & Locations

June 16, 2022

Hebron, CT

June 21, 2022

Cheshire, CT

June 23, 2022

Burlington, CT

Session is 8:30am—3:30pm
(Registration begins at 8:00am)
Lunch will be provided.

Learning Objectives

At the end of this session, participants will be able to:

- Discuss the components of a well built road.
- Understand how water affects roadways and the effects of poor drainage.
- Recognize common distresses and discuss their causes and appropriate repair strategies.
- Understand the importance of proper construction inspection.

Registration

- Please visit www.cti.uconn.edu/cti/T2_Workshop_Schedule.asp to register for this class online.
 - Please email any questions to ctiadmin@uconn.edu.
 - **Cost:** *(Includes lunch and course materials)*
 - \$100—State and Municipal participants
