CT TRANSPORTATION INSTITUTE

UNIVERSITY OF CONNECTICUT

A CT Traffic Signal Academy, A CT Safety Academy, and A CT Local Traffic Authority Elective Workshop

Automated Traffic Enforcement Safety Devices (ATESD) Roundtable

Join us for an informative session on Automated Traffic Enforcement Safety Devices (ATESD). Our Safety Circuit Rider (SCR) team will kick off the session with an overview of pedestrian safety zones and school zones. Representatives from the Office of State Traffic Administration (OSTA), and participating local agencies will be present as we discuss their experiences with the ATESD application process, ordinance development, and community engagement. There will be plenty of time for questions, offering participants an opportunity to connect and learn from others navigating the process.

April 24, 2025
Rocky Hill, CT

Who Should Attend

- Transportation Professionals throughout Connecticut
- Local Traffic Authorities and/or their Designees

Session is 8:30am - 3:00pm

Registration begins at 8:00am

Lunch will be provided.
