A Connecticut Road Scholar Program ELECTIVE Workshop

CT Green Snow Pro for Parking Lots and Sidewalks

Sustainability in Winter Operations is more important than ever. With environmental impacts increasing and budgets continuing to decline, winter maintenance professionals must employ best practices to minimize salt use and maximize their operations for both fiscal and environmental stewardship. This class focuses on best practices for salt application on parking lots and sidewalks as well as maintenance of facilities and equipment. Instructors use demonstrations and case studies to illustrate the positive impact these strategies can have on your community and operations.

Session is 8:30am - 3:00pm

Registration begins at 8:00am

1 Hour Lunch Break

**\$100 - State and Municipal
\$100 - Private Sector**

November 13, 2025

Snow Date: November 18

VIRTUAL
