

A Connecticut Road Master Program ELECTIVE Workshop

Construction Math and Plan Reading

This course provides a refresher on basic math skills related to construction inspection and road maintenance and uses a “Where’s Waldo” approach to teach participants how to find needed information within a set of plans. Group and individual exercises will be used to practice the concepts discussed.

May 20, 2025
Southington, CT

May 21, 2025
South Windsor, CT

Session is 8:30am - 3:00pm

Registration begins at 8:00am

Lunch will be provided

\$100 - State and Municipal
\$200 - Private Sector

Who Should Attend

This course is designed for anyone who is new to plan reading and estimating quantities related to a construction project or wants a refresher on these topics.
