CT TRANSPORTATION INSTITUTE

UNIVERSITY OF CONNECTICUT

A Connecticut Safety Academy Workshop

Improving Safety Through Roadway Lighting

The nighttime fatality rate on the nation's roadways is three times higher than the daytime rate, and 76 percent of pedestrian fatalities occur at night. Improving nighttime visibility can greatly impact pedestrian nighttime safety. This workshop will provide an understanding of how roadway lighting can improve safety, the basics of design elements, and an understanding of maintenance best practices.

Session is 8:30am - 3:00pm

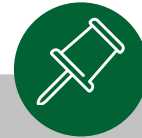

Registration begins at 8:00am

Lunch will be provided

**6 Credit Hours - CT Safety
Champion Designation**

**April 2, 2025
Newington, CT**

Who Should Attend

- Public Works Directors
- Highway Foreman
- Crew Leaders
- Transportation Professionals responsible for maintaining roadways
