CT TRANSPORTATION INSTITUTE

UNIVERSITY OF CONNECTICUT

A CT Traffic Signal Technician Certificate Program Level I REQUIRED Workshop

Signals 101

This workshop aims to provide an overview of the roles and responsibilities of a traffic signal technician. It will cover how different components, both inside and outside the controller cabinet, work together at a signalized intersection. The session will include traffic signal terminology and a hands-on field activity to give you practical experience with the concepts taught in the classroom.

Session is 8:30am - 3:00pm

Registration begins at 8:00am

Lunch will be provided

**\$100 - State and Municipal
\$200 - Private Sector**

**March 26, 2025
Southbury, CT**

Who Should Attend

- Traffic Signal Technicians
- Aspiring Traffic Signal Technicians
- Transportation professionals interested in gaining a better understanding of how traffic signals operate.
