Assistance Center

CT TRANSPORTATION INSTITUTE

UNIVERSITY OF CONNECTICUT

A Connecticut Local Traffic Authority Program REQUIRED Workshop

Fundamentals of Analyzing and Solving Local Traffic Problems

This class is designed to provide non-engineers with an understanding of what causes traffic and road safety issues and the tools available for collecting information, analyzing data and resolving issues.

Class exercises will provide an opportunity for participants to apply the information presented to real life situations.

September 24, 2024
Farmington, CT

September 25, 2024
Guilford, CT

Who Should Attend

- Local Traffic Authorities
- Municipal personnel that support Local Traffic Authorities
- Transportation professionals interested in municipal traffic safety and traffic control

Session is 8:30am - 3:30pm

Registration begins at 8:00am

Lunch will be provided

\$100 - State and Municipal
\$200 - Private Sector

If you are the LTA or designee for your municipality, and have already taken Local Traffic Authority 101, this class would be a great option for your annual training.
