## Training and Events

### Local Traffic Authority 101

A CT Local Traffic Authority Program **REQUIRED** Workshop

On June 26, 2023, Governor Ned Lamont signed Senate Bill 904. Section 5 of the bill requires Local Traffic Authorities, or their designee, to attend a training program, through the University of Connecticut’s T2 Center, to provide them with critical knowledge and skills to better serve in this important role. This workshop will satisfy the annual requirement for training.

### Dates & Times

This virtual workshop will be a 3-half day training series

**Day 1—December 5, 2023**

8:00 a.m. to 12:30 p.m.

**Day 2—December 6, 2023**

8:00 a.m. to 12:30 p.m.

**Day 3—December 7, 2023**

12:00 p.m. to 4:00 p.m.

Must participate in all three sessions

### Learning Objectives

At the end of this workshop, participants will be able to:

- Understand the powers and responsibilities of local traffic authorities
- Understand the regulations associated with the installation of official traffic control devices and be able to apply them
- Identify and access technical resources that support an LTA’s primary area of responsibility
- Demonstrate knowledge of the applicable provisions of the general statutes and any regulations adopted by the Office of the State Traffic Administration

### Who Should Attend

Municipal personnel who serve in the capacity of local traffic authority and/or their designee are encouraged to attend.

### Course Instructors

Experts representing several units within CTDOT, UConn’s Safety Circuit Rider Program and municipal attorneys will provide information on the responsibilities and implications of the LTA role and information on the resources and programs that are available to them to accomplish these tasks.
