

A CT Transportation Leadership Program REQUIRED Workshop - Cohort 10

Kickoff Day with DiSC

Congratulations on being accepted to Cohort 10 of the CT Transportation Leadership Program! We are excited to begin working with you on this professional development journey.

We are kicking it off with a day full of activities and learning. We will use DiSC to help you learn more about your personality and individual leadership style and spend some time in the morning assessing how this impacts how your team behaves. The afternoon will focus on the Leadership Program including expectations, requirements and structure as well as an opportunity to get to know each other and begin to network as a Cohort. We will also identify critical issues for you in your current roles and topics of interest for the future.

Session is 8:30am - 3:00pm

Registration begins at 8:00am
