A CT Transportation Leadership Program ELECTIVE Workshop

Leadership Roundtable: Fostering Leadership and Development Within Our Agencies

Building and retaining a capable workforce can be challenging in our busy industry. Join us for a facilitated conversation with a panel of public works leaders, who have graduated from the CT Transportation Program. We will discuss success stories and challenges in developing the professionals within our agencies. Panelists will share how they are developing their staff and applying what they have learned in the program to support growth within their agencies. This will be an open discussion with the panel and the audience to allow for a broader exchange of ideas and recommendations.
