A CT Transportation Leadership Program REQUIRED Workshop - Cohort 8

Module Six: Succession Planning - Preparing the Next Generation of Public Works Professionals

Succession planning means having a process in place to assess those team needs integral to continuity of services, a program to develop staff to meet those needs and a system for identifying those individuals who can assume key roles as staff retire or leave the agency. This module will focus on each of these components and will provide strategies and tools for helping your agency prepare for the future.

Session is 8:30am - 3:00pm

Registration begins at 8:00am

Lunch will be provided
