Traffic Signals Hot Topic Roundtable

A CT Traffic Signal Technician Certificate Program
ELECTIVE Workshop
OR
A CT Traffic Signal Academy Workshop

In this Hot Topic Roundtable Discussion, participants will submit traffic signal topics of interest and a facilitated discussion will be held. This is a great opportunity to discuss challenges, opportunities, new technologies and many lessons learned as you maintain your traffic signal systems. It will be an exciting conversation. You won't want to miss it! For those completing the Traffic Signal Technicians Certificate Program, you will also receive credit for one of your electives.

Who Should Attend

Traffic Signal professionals, or those responsible for signal operations, from all over Connecticut.

Participants who choose CT Traffic Signal Academy will receive 4 credit hours toward their CT Traffic Signal Champion Designation.

Show and Tell

Is there something innovative, interesting, or challenging happening with your traffic signals? Our Show and Tell portion of the morning will give you a great opportunity to share. If you are interested in telling your story, please contact Vanessa Corrao at vanessa.corrao@uconn.edu, and she will add you to the list of storytellers.
