UNIVERSITY OF CONNECTICUT

# A CT Traffic Signal Technician Certificate Program ELECTIVE Workshop

## Taking the Next STEP in Pedestrian Safety

This course is designed to provide participants with the opportunity to assess roadways for pedestrian safety issues and the tools to resolve those issues. The goals of FHWA's STEP initiative and its importance in improving pedestrian safety will be discussed, as well as the EDC-7 Nighttime Visibility for Safety innovation. Participants will conduct a field review of pedestrian facilities and evaluate potential safety improvements.

**Session is 8:30am - 3:30pm**

**Registration begins at 8:00am**

**This class includes a field exercise**

**Lunch will be provided**

**August 28, 2024  
Cheshire, CT**

**August 29, 2024  
Windsor, CT**
