A Connecticut Safety Academy Workshop

UAS/Drones for Safety Roundtable

In this roundtable discussion, representatives from CT municipal and state agencies, will share their experiences and best practices on developing a UAS/drone program and identify ways to use drones to keep your teams and your roadways safe and to save time. Representatives on the panel will include Public Works, Fire, CTDOT and a Public Utility. **There will also be a “show and tell” session and an opportunity to fly a drone with our licensed pilots. Participants who have a drone are encouraged to bring it to the roundtable.**

Session is 8:30am - 12:30pm

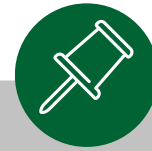

Registration begins at 8:00am

Morning refreshments will be provided

4 Credit Hours - CT Safety
