Training and Events

Fundamentals of Analyzing & Solving Local Traffic Problems

A CT Local Traffic Authority Program *REQUIRED Workshop*

This class is designed to provide non-engineers with an understanding of what causes traffic and road safety issues and the tools available for collecting information, analyzing data and resolving issues.

Class exercises will provide an opportunity for participants to apply the information presented to real life situations.

Please note: These are socially distant sessions. **All state and university COVID-19 precautions will be followed.**

Dates & Locations

August 30, 2022
Colchester, CT

August 31, 2022
Simsbury, CT

Session is 8:30am—3:30pm
(Registration begins at 8:00am)
Lunch will be provided.

Who Should Attend

This program is designed for all municipal personnel who serve in the capacity of their municipality's local traffic authority and others who have an interest or involvement in municipal traffic safety and traffic control.

Course Instructor

Mark Hood, P.E., is a Senior Technology Transfer Specialist and Traffic Safety Engineer with Pennoni Consulting Engineers and the Pennsylvania LTAP Center. Mark has over 25 years experience in Transportation Engineering and has been providing training and technical assistance on transportation safety and traffic engineering-related subjects to audiences around the country for the past 25 years.

"Very knowledgeable instructor, who was able to answer questions effectively." - CT Local Traffic Authority Program participant

Learning Objectives

Upon completion of this class, participants will be able to:

- Understand basic concepts, principals and techniques for evaluating traffic issues.

- Develop reasonable alternative solutions for addressing local traffic problems.

- Practice completing exercises to perform common municipal engineering and traffic studies using real data.

- Communicate more effectively with traffic safety experts.

Registration

- Please visit **www.cti.uconn.edu/cti/T2_Workshop_Schedule.asp** to register for this class online.

- Please email any questions to Bethe Greene at **bethany.greene@uconn.edu**.

- **Cost**: *(Includes lunch and course materials)*
    - $100—State and Municipal participants
    - $200—Private-sector participants

- **Cancellation/Refund Policy**: The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.
