Module Three: Presentation Skills

A CT Transportation Leadership Program
REQUIRED Workshop—Cohort #7

This module is designed to help you improve your presentation skills and will provide proven tips and tools for creating organized, persuasive and engaging messages for your audience. Each participant will have the opportunity to practice what they have learned by delivering a short presentation and receiving feedback from the instructor and the group.

Date & Time

June 16, 2022
Wethersfield, CT

Session is 8:30am—3:30pm
(Registration begins at 8:00am)
Lunch will be provided

Please note: These are socially distant sessions. All state and university COVID-19 precautions will be followed.

Instructor

Steve Ockerbloom, Senior Consulting Partner of KJR Consulting. Steve graduated from Bates College in Lewiston, ME with a double major in Physics and Philosophy. Since then he has worked with corporate groups, non-profits and educational groups in a variety of settings. He has been trained to facilitate numerous teambuilding activities and is certified in the Belbin Team Roles Profile and as a ropes course facilitator. During the last nine years he has had the opportunity to deliver dynamic teambuilding, personality assessment, and problem-solving programming to many well-known companies.

Learning Objectives

Upon completion of this class, participants will be able to:

- Understand what the best platform skills are to make sure people pay attention.
- Identify the behavioral styles of the people in an audience and how to communicate with them.
- Identify when and how to use the correct Audio/Visual tools.
- Understand the Ladder of Inference, how to demonstrate what information is remembered and how to best phrase your message.
